

Albuquerque (NM) Branch

g

January 2022

Vol. 48.

No.4

Saturday, January 8 Meeting
10:00 – Noon
Via Zoom

Let's Explore the Missions of AAUW

We will be exploring the many missions of AAUW at the January meeting. Over the years the mission of AAUW has been modified and changed. AAUW has been a tenacious and trailblazing organization that has advocated for women and girls since 1881. We will explore the current missions of AAUW and how we as members of Albuquerque Branch can be more involved in promoting equity for women and girls

Join us online as we use a game format to explore the current missions of AAUW and how we can be involved more as Branch members. The Zoom link for the meeting will be sent resent on January 7.

Cheri Burch, Program Vice President

Message From the President

I want to thank Cheri Burch and board members for the holiday program. The sharing of holiday memories was a wonderful experience.

The past few months have been very difficult for me due to continuing health problems. I am grateful for the support I have received from board members and branch members. I will be asking a board member to chair the meeting on January 8.

I am requesting that Interest Group chairs send e-mail notices with the date, time, location, and the speaker/activity for their January meeting. I am experiencing brain fog that makes writing and typing difficult.
